

REMARKS

The application is to be amended as previously set forth to address the Notice of Drawing Inconsistency with Specification. Specifically it was noted that Figures 3D, 3E, and 3F were in the Drawings but not listed in the Brief Description of the Drawings in the specification. The specification has been amended herein to correct typographical errors that led to the exclusion of the noted figures from the Brief Description of the Drawings. All amendments are made without prejudice or disclaimer. The amendments do not surrender any scope of any claim as originally filed.

If questions remain after consideration of the foregoing, the Office is kindly requested to contact applicants' attorney at the address or telephone number given herein.

Respectfully submitted,
